DIRECTOR DESK

Dear Students & Parents,

It is with immense pleasure and a thoughtful sense of dedication that I extend a warm welcome to all of you at PMA—Pradhan Madam's Academy.

At PMA, we take pride in our specialization not only in chemistry education but in all science subjects, particularly in the context of NEET and IIT-JEE preparation. Our mission is to empower aspiring students with the knowledge, skills and confidence needed to conquer the challenges of some of the most prestigious examinations in the country.

In addition, we are thrilled to announce the launch of our Foundation Program for 8th, 9th, and 10th class students. This program is specially designed to build a strong conceptual foundation in science and mathematics, preparing young learners for future academic pursuits and competitive exams.

Our distinguished faculty and industry experts are dedicated to providing comprehensive and conceptually sound teaching methodologies. We believe in creating an environment that not only instils academic rigor but also inspires a genuine love for the subject.

As you embark on this transformative journey with us, rest assured that you are not just joining an institute but becoming a part of a community that values curiosity, perseverance and excellence. We are here to guide you, support you and celebrate your achievements, both big and small.

Our commitment to your success extends beyond the classroom, with personalized counselling, mentorship programs and regular assessments to track your progress.

Pradhan Madam's Academy stands as a beacon of educational prowess, and we are excited to have you as a part of our dynamic community. Together, let us unlock the doors to academic success and shape a future where brilliance meets excellence.

Wishing you a fulfilling and intellectually enriching journey ahead!

Warm regards,

Manisha Pradhan

Pradhan Madam's Academy

With an illustrious twenty years legacy in NEET and JEE coaching, Pradhan Madam's Academy stands as a trailblazer in Chemistry education in Nagpur. Specializing in guidance for 11th, 12th, NEET, and JEE, the academy has been a cornerstone in premedical and pre-engineering entrance exam preparation since its establishment in 2007. PMA has consistently fostered various learning skills and instilled confidence in students, enabling them to comprehend the core concepts of Chemistry, ultimately leading to top positions in NEET and JEE entrance exams.

Since 2020, PMA-Pradhan Madam Academy has extended its expertise to admissions for all four subjects, namely Physics, Chemistry, Biology, and Mathematics, achieving remarkable results in both NEET and JEE entrance exams. At PMA, our approach involves interactive and innovative learning methodologies that not only make the learning experience interesting but also leave a lasting impact on students. We are committed to bridging the gap between academics and competitive exam preparation, thereby boosting students' confidence when facing both examinations.

Creating a conducive and supportive learning environment is a key focus at PMA, motivating students throughout their NEET and JEE preparation journey. With over two decades of expertise in the education sector, our contributions have undeniably played a pivotal role in the institute's achievements. Diligently guiding and mentoring students, we have facilitated their admissions into prestigious engineering and medical colleges and institutions nationwide.

FOUNDATION PROGRAM - 8th, 9th & 10th Class

As the saying goes, **"You reap what you sow."**

We believe that success starts with a strong foundation, which is why our foundation courses begin from Std VIII. These courses lay the groundwork for students to build their dreams, nurturing curiosity and confidence.

Our goal is to teach the fundamentals of Maths and Science, giving students an early advantage for exams like IIT JEE, Medical-UG and Olympiads. Designed to strengthen core concepts, the course encourages students to understand topics deeply and solve problems with their own methods, fostering a love for learning.

This course is ideal for those who wish to start early in their quest of knowledge and move towards success in the future competitions at national and international levels. This course emphasizes on :

Comprehensive Conceptual Clarity >> **Fostering Aptitude & Scientific Temperament**

Enhanced Logical & Analytical Thinking >> **Strategic Time Management**

Mind Mapping Techniques >> **Personalized Mentorship**

Interactive Problem-Solving Sessions >> **Target-Oriented Test Preparation**

Early Exposure to Competitive Exams >> **Integrated Approach to Boards & Competitions**

STUDENTS TESTIMONIAL

SHUBHAN SENGUPTA
NEET Score- 720/720
AIIMS Delhi

I have no perfect words to describe my 2-year long journey with Pradhan mam chemistry classes. From the day I joined mam took us in like a mother, never let us fall back. Whether it was extra classes, assignments, tests, endless doubt sessions. Mam made sure that each and every concept of each and every chapter was covered. So that we were full ready for the main exam. I give Pradhan mam chemistry classes a sure 10/10 rating.

VAIBHAVI THAKRE
NEET Score- 653/720
GMC-Akola

Since I have joined Pradhan Madam chemistry classes, I had experienced immense growth in myself. Undoubtedly, she is the best mentor for chemistry. She cleared all my doubts properly and helped me a lot throughout NEET journey. She takes all concepts in such an easy way that anybody will fall for her teaching. Definitely a 10/10 for Pradhan Madam.

Mam's teaching skill and doubt solving technique very beneficial, especially group test due to which whole syllabus completed, revising and the short notes mam used to send on whats app very beneficial. on 4th May to revised whole syllabus in one day.

TANISHQ IKHAR

IIT- Gandhinagar

I Mast. Tanishq Ikhar a proud is a grateful student to study under the guidance of Pradhan ma'am. She has always been a success pillar in my successful JEE journey. I never would have cleared my JEE because of lacking self-confidence. It was Pradhan Ma'am who motivated me and I am grateful to have a teacher like her. The types of questions, ma'am gave us as a practice set were for more concept learning.
